CSRA STATEMENT REGARDING RECENT RESIGNATION

Hello everyone,

By now I'm sure many of you have seen the news regarding the resignation of CSRA president-elect Northy effective immediately from the CSRA. We fully accept and understand their decision to leave the role within the organization.

With their decision to step down we just want to ensure that a few items are clarified regarding the stance of the Canadian Socialist Rifle Association.

Firstly, we vehemently stand against the rise of right-wing populism and fascism in all its forms, and will remain committed to combating this at every step. Through dedicated community action and general organizing with its members. Furthermore, any support for fascism is not tolerated, and will be met with swift action.

Secondly, the CSRA is firm on its stance regarding anti-colonialism. The harm colonialism has brought to communities and countries around the world are well-documented and needs to be addressed in a constant ongoing battle.

We want to assure everyone that we are committed to these ideals, and are also conducting an internal investigation regarding the leaked and posted screenshots of recent matters.

Thank you everyone for your support as we continue to battle these issues that plague a fair and Democratic society.

Solidarity Forever
